

Gift of Publicly Listed Securities

Thank you for considering a gift of securities to Orillia Soldiers' Memorial Hospital Foundation (the Foundation). Making a gift of publicly listed securities is a simple, easy process and a wonderful way to support the Hospital. Below are procedures which will assist you in making your gift. We are pleased to issue a charitable tax receipt for your contribution based on the market value of the transferred securities, determined at the close of trading on the day our brokerage firm receives the securities.

In order for securities to be legally transferred and accepted by the Foundation and our brokerage firm, a completed and signed copy of this form must be forwarded to your Investment Advisor, the Foundation and our brokerage firm. Please note that unidentifiable and/or unexpected gifts may not be accepted for legal reasons.
